

Aurélié Vic, a passionate oenologist, discovers and shares Languedoc good vinous leads. The region is big and the wines have multiple flavours and profiles. Must they be fresh and tasty? Must they go with Mediterranean cooking? Of course, but Aurélié wants more. Character and balance, delicate taste and harmony, wine must express and reveal its origins. Anyways, its roots must talk and link us to the soil... its juice must release Southern flavours, a fruit concentrate and a garrigue perfume, with crispness, fine taste and drinkability of course.

The Languedoc, the Eldorado of wine!

The appellation which turns heads and glasses, without a doubt the most known of its area, big by its size and its quality of wines. In a warm and dry climate, temperate thanks to the Mediterranean sea influence and on a varied clay and gravel soil we find predominantly Grenache and Syrah (Cinsault, Mourvèdre and Carignan complete this duo)

A treat !A nice pink colour, cherry and crushed strawberry nose. The mouth is tonie, gourmand texture on mature pomegranate aromas, then tender garrigue scents, light thyme, abit ofredcurrant and lots ofdelicacy.

Serve at

8-10 °C.

A table

It makes us think of scallops tartare, white fish terrine or tendron of veal « à la plancha »... and siesta in the pine tree forest!
