

LE LONG CHEMIN

Terrasses du Larzac, AOP LANGUEDOC

Aurélié Vic, a passionate oenologist, discovers and shares Languedoc good vinous leads. The region is big and the wines have multiple flavours and profiles. Must they be fresh and tasty? Must they go with Mediterranean cooking? Of course, but Aurélié wants more. Character and balance, delicate taste and harmony, wine must express and reveal its origins. Anyways, its roots must talk and link us to the soil... its juice must release Southern flavours, a fruit concentrate and a garrigue perfume, with crispness, fine taste and drinkability of course.

Terrasses du Larzac; an exceptional vineyard, at the foot of the mountainous plateau of the Larzac.....

Between hills and terraces, the vine grows in a landscape of schists deep soils, sandstone, rounded pebbles and clay-limestone. The climate is fresh and sunny, transition between the Mediterranean sea and the Larzac. We are next to Saint Jean de la Blaquière village.
